Mrs. Whitworth & Mrs. White

Today, we are officially 100 days smarter! Happy 100th Day of School!! We enjoyed a day full of 100th day activities and exercised our brains by counting to 100, working in cooperative learning groups to make a pizza with 100 toppings, made gigantic ice cream cones with 10 scoops of ice cream to count to 100 by tens, decorated 100th day t-shirts, created "100" glasses, and enjoyed a 100th day treat too! What a day! If you get a chance stop by and check out our work in the hallway outside our classrooms! Hope everyone had fun and enjoyed their 100th day of school as much as we did!

What's Coming Up Next Week?

- * Please review numbers to 30 with your child. They should be able to count, write to, and recognize numbers to 30 independently. They should also be able to count and write numbers to 50 counting by 5's and 10's. We have been working on this at school and could use some extra practice at home!
- * Next week we will be working with the letter Gg. Please help your child find an object at home that starts with the letter Gg to bring to school and share.
- * Don't forget to help your child study for their spelling test and review their sight words!
- * Check out next week's focus wall to see what's coming up next week in reading!!

Spelling Words

1. fit
2. hit
3. sit
4. kit
5. pit

Star Student of the Week!

Mrs. White: Logan Needham
