

Meet the Teacher...

I am so excited about teaching first grade this year! I truly enjoy the young kids love of learning and positive attitudes! I can think of no other job I would rather do! How lucky am I? My goal is for every child to feel success

and have a positive school experience fostering a love of learning.

My background: I am a UIS graduate with a B.A. in Education, I received my Master's Degree at Walden University in Integrating Technology in the Classroom, and an endorsement in Learning and Behavioral Disabilities at ISU. I have been teaching at Tri-City for 12 years. I am also a T-C graduate, class of 1988!

On a personal note, I have been married for 11 years. Matt and I have two children who are the highlights of my life! When I am not at school, I enjoy being with my family, Disney vacationing, reading, and running.
