

# Spring into Spring!

## March Newsletter

Bring on the nice weather!! Just like the weather, it's nice to see our students doing a great job so far. The first week of this month was dedicated mostly to ISAT testing, which 3rd graders are not used to. They did a great job during the test days. Thank you to the parents for getting them to school on time, well rested and ready to dive in! This month we are focusing on our hallway expectations and behavior. Students should have their hands either in pockets or behind their backs, facing forward, and not talking. This is something we will work on for the rest of the year.

### What your child has been up to:

**Math:** Finishing capacity and geometry, beginning fractions, probability, and symmetry. We will be starting to multiply two digit numbers soon.

**Science:** Finish up ch.1-3 on Sound and test next week.

**Social Studies:** We are going to take on a new adventure this spring. The 3rd grade will be hosting a (live) Wax Museum and your student will be one of the important figures in history. This is very exciting and we will send more notes home about this soon.

### Important Reminders:

- **No** toys are allowed at school at any time. We are having issues with **electronic devices** right now. Please check your child's backpack to ensure they are not bringing these items to school. Thank you!
- **No School** March 7th
- **2:00 dismissal** March 11th
- Spelling packets are still due each Friday at the **beginning** of the day. Students are to have 20 points each week unless they are told

otherwise. We do give students time throughout the week to work on this, but some time at home is most likely needed.

- **All homework is due at the beginning of each day** unless the teacher has asked for it at a later time. Many students are missing recess due to late or incomplete homework. Please check your child's planner each night for homework assignments and let us know if you have any questions. Thanks!

### How to contact us:

Email: [rmcrae@tricityschools.org](mailto:rmcrae@tricityschools.org)  
[jmiles@tricityschools.org](mailto:jmiles@tricityschools.org)

School phone: (217) 364-4530

Also remember you can send a note in your child's planner at anytime and we can communicate through it. Thank you!
