

Meet the Teacher!

Hello! My name is Jessie Hamrock. This is my second year teaching third grade at Tri-City and I absolutely love this grade and this school district. I am so excited about starting a new school year with fresh faces! We have so many fun activities planned and lots of new technology to help us along the way! We will have such a fun year!!

Just a little information about myself: I got married August 6, 2011 (so just over the summer!) My husband Justin and I have been together for about 3 years and are looking forward to starting this new and exciting chapter in our lives

together. We went to Riviera

Maya in Mexico on our honeymoon and had a great time.

In my spare time, I enjoy

spending time with my

family and friends,

decorating our house,

scrapbooking, reading,
and being outdoors! This

is a picture of our
wedding party. It was so

hot this day but they
were great sports and

took a few outside pictures for me!! We are so blessed
with great friends!!

If you need to contact me or have any questions about
this school year, please feel free to email me or stop
by our classroom at anytime! I am so excited to have
your child in my classroom this year!!

Thanks! :)
