

NEXT WEEK:

READING:

Where the Red Fern Grows, We are planning to finish reading the book next week and following up with some small activities relating to the story.

Our class will also continue to complete practice pages similar to the pages students will see on the ISATs.

SPELLING:

"Foods and Beverages" (List in homework folder.)

LANGUAGE:

- Expository writing prompts with time limits. Tips to revising one's own work
- Proofreading sentences.
- Similes and Metaphors.

MATH:

We will continue to cover geometrical concepts. We will discuss how to decide when to find the perimeter, area, or volume of a given situation. During the week, students will also be reviewing and practicing concepts taught previously in the year in order to prep them for their ISATs.

Dear Families,

Our class has partnered up with Ms. Gremer's 2nd grade class to create a computerized comic page. A 5th grader and 2nd grader were paired together to research information pertaining to an arctic animal of their choice. They are displaying what they have learned about their animals by creating a comic with the information in it. Make sure to check them out when they are finished!

Our Valentine's Day party will be on Thursday, Feb. 11th at 1:00. Students are welcome to bring treats and/or valentines. Please make sure that all treats are bought from a store and not homemade. If your child decides to bring valentines for the class, please make sure that every child in the class receives one.

Have a great weekend!
Ms. Miller
