Dear Parents/Guardians of Early Childhood, Pre-K, Kindergarten, 2nd, 6th, & 9th Grade Students:

In accordance with Illinois Law, all Early Childhood, Pre-K, Kindergarten, 6th and 9th grade students must show proof of a current **physical exam** and **up-to-date immunization records** prior to entering school. **Eye exams**, done by an optometrist or a medical doctor who performs eye exams, are mandatory for all Kindergarten students. They are due prior to October 15.

Dental exams are required for all Kindergarten, 2nd, 6th and 9th grade students. They are due prior to May 15.

Required physical exams and immunizations should be obtained by the first day of student attendance of the school year. If physical exams and immunizations are not in compliance, students will be excluded from school on October 15 until verification is received.

Students who are new residents of the district must obtain required exams and immunizations within ten (10) days of enrollment.

Please find appropriate health form(s) needed for each exam pertaining to your child on the district website and/or attached.

Thank you for your cooperation in meeting the school health requirements for your child. Please call (217) 364-4035 extension 117 with any questions or concerns that you might have and I will be happy to assist you.

Sincerely,

Kathy Getz, RN
School Nurse
