

*Join other educators across our ROE #51 region to engage in virtual book studies. These virtual book studies will allow engagement in activities each week - on your own schedule - allowing you to pick a day of the week that works best for you while learning new strategies for the classroom.*

### Virtual Book Study: *Choice Words*

*Choice Words* is a quick easy read of eight chapters to explore how talk is the central tool of our teaching and how language helps students make sense of learning, literacy, life and themselves. Learn how to build an emotional and relational healthy learning classroom.

Learning Facilitator: Teresa Kaiser

*Choice Words*

by Peter H. Johnston

This course will have weekly discussions

**Begins: September 5**

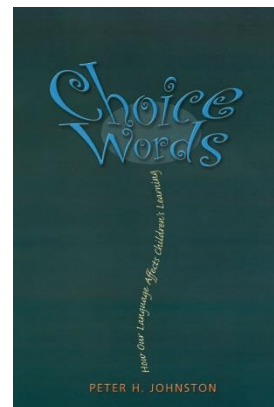

**Ends: October 22**

There is no fee for participation. Participants must purchase their own book.

Participation in this book study earns participants 24 professional clock hours.

Applicable for teachers of grades K-12.

Limit of 15 participants.

### Virtual Book Study: *Disrupting Poverty: 5 Powerful Classroom Practices*

This book leads us to reflect on our beliefs about poverty while providing strategies and examples to use in classrooms. Book study participants will explore the five practices: caring relationships, high expectations, committing to equity, professional accountability for learning, and the will to take action.

Learning Facilitator: Teresa Kaiser

*Disrupting Poverty*
